Academic Year 2016/2017

12/05/2017

Well Done

All of our Year 6 pupils impressed us with their attitude, effort and approach to the SATS this week. We are so proud of all they have achieved. Year 5 have also been brilliant giving support to their class mates and adapting to the different teachers they have had this week. The behaviour of all pupils has been exemplary.

Year 2

Next week Year 2 pupils will be working in small groups with Miss Bishop for their end of key stage 1 tests. This will just seem like normal day to day learning.

Charity Support

Following consultation with families we have decided to support the following events and charities in the next academic year.

Autumn Term:

Children in Need

Save the Children – Christmas jumper day

Spring Term:

X – Church

Sport Relief

Summer Term:

Save the Children – build a den day

Diabetes UK

FOLS will also be fundraising throughout the year.

Upton Church

If you get chance, pop into Upton church over the weekend, we have a display created by the children about work and leisure.

Attendance

Whole School
2nd – 5th May
96.12%

Tully Cup

Forgiveness is the means by which damaged relationships are restored. It is an act of the will, motivated by love. For Christians Jesus' death on the cross is the ultimate revelation of God's forgiving love and his sacrifice stands as a source of inspiration to forgive others, no matter the cost.

This term, our school value is Forgiveness.

Winners this week:

KS 1 – Braydon Bailey

KS 2 – Theo O'Reilly

Fun Run

We've been amazed by the energy and enthusiasm shown by all this afternoon. A special mention to Charlie Burgin who managed 46 laps which we think is 9.3 miles! Many thanks for all of your contributions towards our stage. We will inform you of the total on Monday via text.

Headteacher and Governor drop in

Many of you are contacting me directly with concerns or queries about aspects of school life, which I feel has been productive and supported me in a positive way to continue to strive for further improvement and the best education possible for your children.

To further aid communication and transparency, myself and Sandy Carter, school governor, will be available on Friday 26th May between 1 and 2.30pm, if parents/carers would like to pop in and have an informal chat about current school priorities or have individual discussions please let the office know.

Toys in school

Please remember that we do not allow children to bring any toys into school such as the fidget gadgets. If a child does bring one into school they will be looked after by the teacher until the end of the day.

Knaith Road

Knaith Road, by the railway bridge will be closed all of next week.

End of Term 5

Just to confirm we break up on Friday 26th May.

Apparently we sent out a communication with the incorrect day/date on. Apologies for any confusion.
