FOLS Disco

A great time was had by all. Thankfully the weather was kind to us. The children seemed to have a wonderful time and were very well behaved.

Thank you for your kind donations and teaching your children how to spend!

We raised £529.17!

I would like to take this opportunity to thank all of our FOLS members and their helpers – mainly their families, for all of the hard work this year. They have worked tirelessly to provide exciting and fun events for our children and families to enjoy. The new sand pit is truly loved by the children and makes such a difference to the look of our outside area.

FOLS always welcome new members, please get involved. Remember we would like 2 class representatives from each class to help with promotion of events and the selling of tickets.

Aladdin

The dress rehearsal went very smoothly. The show promises to be amazing. Thank you to all of the hard work of the pupils, Miss Wallwork, Mr Cook, Miss Martin and Mr Watkinson. Next stop – The West End!

Tully Cup

This term our value is justice.

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and the oppressed, and to see that no-one is excluded from the essentials of life.

Leavers' Service

On Wednesday morning at 9.30am the whole school will attend St Helen's Church in Lea for our annual end of term/leavers' service. All parents are welcome to attend. At the end of each term we come together in church for an end of term service.

During this service governor certificates are awarded. Each teacher chooses children who have displayed a commitment to our values in their everyday interactions at school. These are:

Honesty
Courage
Friendship
Respect

A commitment to achieve.

I have sent a text to families making them aware if their child has been awarded a certificate for this term. I will continue to do this for future services.

Kooth

I was made aware of this website at a briefing for head teachers. This is an online counselling service aimed at older pupils, from Year 6 onwards

possibly. I did wonder if it would be useful for any parents who have older children who may be suffering from wellbeing issues and anxiety. Our teenagers are so used to the online world that maybe having qualified counsellors to reach out to in this way may help some who feel unable to talk face to face with anyone.
