Whole School Creative Story

On Wednesday all of the classes contributed to a whole school story. Reception started it off, with Year 6 leaving a cliff hanger which has kept us all hooked! This was shared in assembly and will be on display shortly.

Sleep Workshops

I am still keen to offer sleep workshops but currently there has not been any interest shown. If you would like further information please feel free to e mail me directly for more information. I know from I have read about the course it would certainly have helped me when my boys were younger.

Kooth

I was made aware of this website at a briefing for head teachers. This is an online counselling service aimed at older pupils, from Year 6 upwards possibly. I did wonder if it would be useful for any parents who have older children who may be suffering from wellbeing issues and anxiety. Our teenagers are so used to the online world that maybe having qualified counsellors to reach out to in this way may help some who feel unable to talk face to face with anyone.

Tully Cup

This term our value is justice.

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and the oppressed, and to see that no-one is excluded from the essentials of life.
