

Tuesday 2nd November

Dear Parents,

Welcome back to Year 6, this term our topic is 'Blood Heart', this will focus on the circulatory system and what we can do to keep it healthy.

Homework

This term we will be continuing to work through our Maths Revision guides and our Reading Comprehension books.

With new curriculum expectations, it is vital that the children secure their times tables and division facts up to 12 x 12. Regular practice at home is extremely important and the children will be tested weekly using a times tables challenge activity to assess their progress. Please continue to use Times Table Rockstars.

Reading

Reading at home is essential and comments in the reading diary relating to this are very useful. During Upper Key Stage 2 children go through a critical transformation as readers. During KS1 & Lower KS2 children are taught to decode, recognise key sight words, comprehend simple texts, and read with some degree of fluency. During Years 5 & 6, it is still important for children to read every day, they must consolidate and extend their basic skills, become fluent, confident readers, build a vocabulary of words and concepts, and most importantly be able to comprehend increasingly sophisticated texts. It is a transition from 'learning to read' to 'reading to learn'.

Please keep filling in reading journals.

PE

This term PE will be on Friday afternoon.

A reminder that school PE kit should be worn, not football kits. Suitable footwear is also required for outdoor games. A change of footwear and suitable socks are very important as many of the lessons will be on the field. It is advisable to leave earrings and jewellery at home and P.E. days.

Please support your child by ensuring they have their named P.E. Kit in school.

Curriculum Overview.

RE- God- Do you have to believe in God to be good?

Topic (Geography/History/ICT/ D&T/ Art)- Blood Heart

Science- Body Health

'Being Different, Belonging Together'

Water Bottles.

Please can you send your child to school with a water bottle to keep in the classroom. This will need to be taken home and washed regularly.

Change of footwear.

To be able to continue using the field at break and lunchtimes we are asking all children to bring in a change of footwear (wellies preferably). If children are just bringing in a change of shoes please can they also bring in dry socks.

Seesaw.

If you are self-isolating because of Covid work will be set on Seesaw, please can you ensure that you are able to access this. If you are having any trouble please do not hesitate to contact me.

We value the role that parents/carers play in education and hope that by working in partnership with you, we will be able to fully support your child's learning and help them to achieve their full potential. Should you have any queries or concerns, please do not hesitate to contact me.

Kind Regards,

Mr S Cook
