Year 5 Curriculum Letter
Summer Term 5

26th April 2019

Dear Children, Parents and Carers,

I hope you all had a wonderful Easter. This term our topic is 'Beast Creator.'

Curriculum overview

- English – Limericks, advertisements and fantasy narratives.
- Maths – Statistics and measurement.
- Science – Living things and their Habitats
- RE – Expressing beliefs through the arts.
- Topic (Geography/History/Computing/Art/DT/Music) – 'Beast Creator.'
- PE – Wednesdays with Miss Lee and Thursdays with Coach Kieran.

Mini-Beast Project

For our DT project this term, we are hoping to be creating mini-beast houses in our school nature reserve area. However, we can't do this unless we have some materials to use. If you have any of the following items that you'd be able to donate to Year 5 for their mini-beast houses, they will be very much appreciated. Materials could include:

> wood	> pallets	> hay	> compost
> rocks	> canes	> bark	> pine cones
> plant pots	> wooden boxes	> sticks	> drainage tubes

Homework

Homework will continue to be posted on our class Padlet page, it is really handy if you can access this page as I also post class and school notices/reminders, which you may find useful.
 https://padlet.com/Year5Lea/year5homework.

Thank you to the grown-ups for all the help and support you give your children at home.

I have given our new topic project homework 'Beast Creator' out before the half term. (A copy of this is on the class Padlet page). This topic project is due in on or before **Friday 24th May 2019**.

General Notices

- PE kits need to be in school on Wednesdays and Thursdays this term (please ensure, children have a tracksuit as part of their PE kit).
- Please ensure all PE kit, uniform, coats and bottles are labelled clearly.
- Children are encouraged to bring a labelled water bottle into class each day.
- Twitter page: @Year5Lea

Please feel free to come and see me if you have any questions or concerns.

Kind regards,
Miss Lee
