Last term's mini-beast project

A huge thank you to everyone who brought in materials and items for our mini-beast project in our school nature reserve. The children have created two fantastic mini-beast houses and they had a great time making them! Miss Lee was very impressed with their teamwork and communication skills (pictures on our class Twitter page).

Year 5/6 Annie production

This term we will be focusing on our end of year production - Annie. We were very inspired last term when we went to see Annie at Nottingham, Royal Concert Hall.

Before the half term, we held auditions for the children who wanted a speaking/singing part in Annie. The children were very brave and did a wonderful job in their auditions; a big well done to those for auditioning! These children have been told their parts for the performance and will have hopefully been learning their lines/songs over the half term holiday! We can't wait to share our performance with you at the end of this term.
