

Term 6 Curriculum Overview

Dear Children, Parents and Carers,

8th June 2018

Welcome back to our very last term together in Year One. I can't believe how quickly this year has flown by! Last push of hard work so that we can end the term having lots of fun together before you all move up to Year Two. Our new topic this term is 'Enchanted Woodland'.

Curriculum Overview

- **English and Phonics** - Read Write Inc.
- **Maths** - Fractions, shape and money.
- **Science** - Animals around school and caring for our pet.
- **RE** - Belonging to a Jewish Community. This lesson will be taken by Miss Stanton.
- **Music** - Singing chants and rhymes.
- **Topic** (Geography/History/Computing/Art/DT) - Based around our 'Enchanted Woodland' topic.
- **PE** - Swimming on Mondays and Tuesdays with our MSP Coach.

Topic homework

I have been so impressed and also thankful, with the time and effort each of you (and adults!) have put into your topic homework projects this year. It has been wonderful to see the things you get up to outside of school, as well as looking at the beautiful writing and presentation of your homework.

The children love sharing their projects in class and also enjoy sharing them with Mrs. Woolley and the rest of the school in our Friday Celebration Assembly. I'm looking forward to seeing your 'Enchanted Woodland' Topic homework this term. Keep up the super work!

Phonics Screening

Phonics screening tests begin next week (Monday 11th June - Friday 15th June). Your child will undertake the phonics screening test with Miss Lee at some point during this week.

Children's test scores will be shared in their end of year reports. The pass mark has been 32 out of 40 in the past couple of years, we do not know if this score will stay the same or change this year.

Please try and go over the children's phonics sounds at home as much as possible over the next week, this will be very useful!
