

Curriculum Letter

Year 2 Term 5

Dear Parents,

Topic

Our class topic this term is 'The Scented Garden'. As part of this topic the children will be looking at plants: bulbs, seeds, gardens. We will be planting seeds and bulbs and carrying out investigations as part of science. In art we will be making observational drawings, using dried flowers to create collages and much more. In geography we will be looking at plants from around the world.

Homework

Spellings for this term will be stuck in their homework books. Please send the children with their homework books on Thursday. Spelling tests will be on Thursday and books will be given back on Friday.

Maths homework- this term we will be concentrating on speeding up with our times tables. Homework will be stuck in books and please encourage your children to go on TimesTable Rockstars to practice saying them at speed.

Reading- home readers will be checked at school once a week. The books will be changed when we feel a child is not only confident with reading the text and key words but also understands the story or fact book. Re-read the book several times to encourage fluency. See the questions at the back of the book to aid your child at home. Please fill in the reading journal and should your child finish a book feel free to write in extra books they have read from home.

PE

PE this term will be on a **Friday** with MSP and **Mondays**. Children will need to have their PE kits in school at all times. A PE kit should include: t-shirt, shorts, plimsolls, socks, tracksuit bottoms and top and trainers. Please label all items of clothing.

Other

- Attached are some ideas for Topic homework. Please choose as many as you want off the list to complete during this term. Children may bring them in as soon as they have completed them and present them to the class and every other week they will show them in Friday achievement assembly.
- SATS- All year 2 children will be taking part in SATS tests this term (w/c 13th May). These are nothing for the children to worry about and are just for our school's data. They will be taking them in small groups and the rest of the time they will be enjoying art and science activities all day.

And finally...

I hope your child enjoys this term in Year 2, should you have any concerns or problems please do not hesitate to contact me.
