Homework

The children have received their first piece of topic homework based on our new topic 'dinosaurs'. These will be shown to the class and the whole school in Friday's assemblies, and will then be displayed in the classroom. It is fantastic to see the children's creativity and imagination.

I am already so impressed with the improvement in the children's reading. I hope you found the laminated sound sheet useful and it will be helpful at home if you could go through the sounds with your child as much as possible each week.

Thank you to the children and grown-ups for your excellent efforts in all areas of homework.
