

'Being different, Belonging together'

Whole School Food Policy

Aim

To ensure that all aspects of food and nutrition in school promote health and wellbeing of pupils, staff and visitors to our school.

At Frances Olive Anderson we:

Encourage children to bring a filled water bottle to school daily

Promote healthy eating through curriculum provision

Ensure that any staff in charge of food is trained in basic food hygiene.

Ensure quality provision of school meals.

Ensure only healthy snacks are allowed in school.

Monitoring and Evaluation

- School council meet fortnightly and discuss any issues regarding food in school, positive and negative
- Science subject leader to monitor coverage of the curriculum
- Governor monitor school meal provision and report findings to full Governing Body.
- Mid-day staff monitor food being brought to school in packed lunches

Notes

- This school actively supports healthy eating and drinking throughout the school day.

This document is freely available to the entire school community.

REVIEW

This policy was agreed by the Pupil and Staffing Committee in **April 2018**. It will be reviewed in **April 2021** or sooner if the need arises.
