

'Being different, Belonging together'

No Smoking Policy

Introduction

Second-hand smoking, breathing in other people's tobacco smoke, has been shown to cause cancers, heart and respiratory disease in non-smokers.

Health Improvement and Protection Act 2006, states that by summer 2007 all enclosed work places would need to be smoke free.

The Health and Safety at Work Act 1974, places a duty on employers to provide a working environment that is: 'Safe, without risks to health'

Frances Olive Anderson CE Primary School acknowledges that second-hand tobacco smoke is both a public and work place health hazard and have therefore adopted this no smoking policy.
