

02.01.2021

Dear Parent/carers,

Firstly, Happy New Year to you all and we hope you have enjoyed a nice, peaceful break. Once again, many thanks for your continued support over the Christmas break and thank you for letting us know about any current cases of COVID and the need to isolate.

We are again in the midst of conflicting information and increasing media speculation regarding COVID and Primary Schools.

At this present time, Frances Olive Anderson C of E Primary School is planning for ALL children to be in school, learning face to face, from Monday 4th January 2021.

If we receive any update or change to this, please be assured that we will let you know immediately, via Parent Hub.

We will be following the rigid protocols as before Christmas and we ask that you continue to support us, as you already have done, by following the 2 metre distancing rule at drop off and pick up times and do not mix with others out of your immediate and/or support bubble out of school.

Also, please do not send your child/ren to school if they or a member of your immediate bubble/household, display any COVID type symptoms. All protocols and risk assessments can be found on our website.

This is an exceptional time for all of us and we will get through it if we continue to work together and support one another. We hope that 2021 sees us being able to return to some sort of 'normality' soon.

Kind regards

Mrs Sarah Woolley
(Headteacher)
