Academic Year 2020/21

18/06/2021

We have had another very productive week back at school. The children are working hard and playing well together.

We were hoping that we could lift some more of the restrictions before the end of term, but this looks unlikely now.

We will be holding in class mini sports day sessions within their normal PE sessions over the next couple of weeks.

We will be going ahead with transition, as this year we had planned on the class moving to their new teacher for a whole week; from Monday 12th July.

This means that the classrooms can be left over both weekends to ensure the risk of any contamination between bubbles is limited. We have carried out a risk assessment based on this.

There will be staff around to help guide you to your child's new classroom for drop off on the Monday morning. Year 6 will meet in the hall.

We will continue to keep the one way system, face masks unless exempt, bubble system at break times, a staggered lunch and the staff will continue to be on duty throughout the day in order to achieve this.

I know that you realise that staff have gone above and beyond this year to enable this to happen, so I am sure you will join with me in saying a massive thank you to the whole team.

Not long to go now!
Then hopefully September will bring with it normality for us in school.

COVID 19 tracking

If your child develops symptoms please arrange a PCR test and inform us of the results if this is within 48 hours of finishing school as we will need to take advice from public health regarding the rest of your child's bubble.

Attendance

Here are our attendance figures to date.

7th – 18th June
96.37%

Although we cannot authorise holiday in term time we do understand why this may happen this year. If you have a holiday booked or moved as a result of the lockdown, **please** fill in a holiday form and send it back to the school office.

We have a duty of care to make sure our pupils are safe and we are also required by law to record all absences.

The value this term – Humility

This term Worship will be delivered virtually into the classrooms.

A Christian Perspective on Humility: Christians believe that Jesus was both servant and king. He demonstrated this through His life, death and resurrection. Jesus taught his disciples what it means to be truly humble. Christians believe that they can serve God by demonstrating humility through their attitudes and actions. This approach to life runs contrary to many role models presented to children in the media and popular culture.
