### Where did the first term go?

Thank you to you all for your positive support as we continue to move forward as a school. The children have settled back into routines quickly and already I can see an excellent standard of work being produced across the subjects and year groups. The children's behaviours for learning and general conduct around school is really pleasing and has been recognised by visitors throughout the term.

Please continue to provide feedback either directly to your class teacher or myself so that we can ensure that your children are receiving the best possible educational experience here at Frances Olive Anderson C of E Primary School.

### Great News

Miss Bishop has identified a possible route to access funding to develop our nature reserve area and pond. This is a fabulous resource to have on site and will really enhance the learning experiences for our children should we be successful in our bid.

I will be asking for ideas for future projects which FOLS can support with fundraising and we will apply for another Awards for All next year.

Some initial thoughts include:

- Updating and renewing ICT equipment
- Internal fencing along field to be replaced
- The area leading to the playground to be redeveloped – this is the only disabled access we have from the top of the school to the classrooms at the bottom of the stairs.

### Not such great news – but all the best to Miss Martin!

Today we say goodbye to Miss Martin as she moves on to a new post with the Lincolnshire Music Service. We are hugely grateful to all she has added to our team at Frances Olive Anderson, especially in raising the profile and enjoyment of music teaching, learning and celebrating.

### Parking Reminder

Please do not park on the Green in the Grove or block any of the resident's driveways when dropping off/collecting your child/ren from school.

Thank you.

### Tully Cup

This term, our school value is Thankfulness.

Christians believe that God loves and cares for them in many different ways in all aspects of their life. They know that their response to this provision should be one of thankfulness and praise.

Winners this week:

KS 1 – Kian Freeman

KS 2 – George Howitt

### Yr 5/6 Football Match Report by Charlie Burgin and Ashton Priestley-Smith

On Wednesday the boy's football team took part in a league match against Blyton cum Laughton. It was a very competitive match but Lea came out on top with a 3-0 win. The game started very nervy, however these were soon settled when Lea were awarded a penalty for deliberate handball. Charlie Burgin confidently slotted home the resulting penalty which provided Lea with some much needed confidence. The lead was then doubled when Ada Christmas carefully side-footed the ball in to the bottom left hand side of the goal, which then put Lea 2-0 up. The midfielders (Casper Davy, Charlie Burgin, Ada Christmas and Ashton Priestley-Smith) soon made a brilliant run ending with Ashton Priestley-Smith scoring a left foot volley just before half time. The second half quickly came around. Unfortunately we did not score any goals but luckily we did not concede any either thanks to Jayden Eddinson and Harrison Greenfield. George Howitt, Alfred Hunt and Dylan Waudby also played very well in this match. But unfortunately Alfie Wood could not participate.
