### Rainbow Children

We loved the post shared by Mr Cook on Facebook. It is so poignant and we know that this time will become part of the history books of our world.

*The Rainbow Children building dreams, They'd dreamed whilst time stood still.*

We will have an amazing Rainbow Party at school when we can all return – FOLS get planning!!

School is open everyday for those children of Critical Workers, who can not safely look after their children at home during this time and any children who are vulnerable. Please contact Mrs Woolley or Mrs Kirby via email over the next 2 weeks if your situation changes and you require child care for the reason given by the government.

Please continue to access the learning on Seesaw. It is wonderful being able to keep in touch this way and we are certain that the children are enjoying the feedback they are receiving from their class teachers.

Just do what you can, there is no pressure to complete all of the work and you may have days where it just is not possible, for whatever reason.

These are, as we all keep saying, unprecedented times for us all, there is no right or wrong, we just do what we feel is best for our families and communities.

Above all Stay Safe and Be Kind.

Thankfulness

KS2 – Lola B Yr 5

KS 1 – Noah Yr 1

From next week the value being explored will be **Forgiveness**.

A Christian Perspective on Forgiveness:

Forgiveness is the means by which damaged relationships are restored. It is an act of will, motivated by love. For Christians, Jesus' death on a cross is the ultimate revelation of God's all forgiving love, and his sacrifice stands as a source of inspirations to forgive others, no matter the cost.

I will upload a video on Monday around this value.

### Relationships, Health and Sex Education.

We have received new guidance from the Government which needs to be followed from September 2020.

This will mean our policy needs changing in light of this. In the next few weeks I will share information with you via Parent Hub and you will have the opportunity to make your view known, so that we can work together with governors and staff to meet the requirements and to ensure that our curriculum meets the needs of all of our pupils
