Harvest Service

It was so lovely being able to have our Harvest Service in Church once again. Just being able to sing again, and altogether in school as well, has been such a joy this week.

Thank you so much for your very generous gifts which will we give to those in our local area who are in need.

Here is just one of our Harvest prayers written by Year 6:

Dear Lord,

We graciously thank you for the beginning of a wonderful new season.

*We thank you for the bright oranges and the reds of the leaves of the trees,
The sweet apples and the animals going into hibernation.
Thank you for life, long lasting friendships and good health.*

This Harvest time, we are constantly grateful to the farmers who produce juicy and delicious food for us all.

Their hard work and perseverance is what really needs recognising. But with wars, violence and other forms of abuse, still in this world, We pray for everlasting peace.

*And finally, thank you for hope after this pandemic
Thank you for all the old routines of life coming back into place.*

Amen

Amelia – Year 5

Whilst we are on the topic of generosity, some of you may have seen the incredible act of generosity shown by Amelia:

**‘Amelia dives in to help the homeless’
The Gainsborough Standard.**

Amelia has raised at least £630 for the Homeless by swimming 400 lengths (10,000m) during the summer holidays.

If you would like to donate to this fabulous cause you can still do so: www.justgiving.com/crowdfunding/amela-pitman

MacMillan Coffee Morning And Art Exhibition

Thank you for all of your wonderful donations – we had an incredible amount of cakes donated and it was lovely to see so many of you at the Coffee Morning.

We will send a Parent Hub once we know our final total.

Parent Forum

We would like to start a Parent Forum where one parent from each year group meets with the Headteacher and/or other members of our school community to discuss our school.

We can ask for items to be raised to create the agenda and focus on what we can do together to make our school the Best it can Be.

Perhaps if you have a class facebook page you could use this to ask for or nominate a representative for your child's class. Once we have some names we can ascertain the best time to meet and set our first forum date.

Please could the nominated / volunteered person make themselves known to Mrs Woolley by the end of next week (01.10.21) via email to office@olive-anderson.lincs.sch.uk

Health Mentor

Mrs Ireland is available to meet with parents/carers:

Tuesday or Wednesday:

Please email the health mentor address to make an appointment should you require one.

Email address for you to use if you want to contact Mrs Ireland or Mrs Cullum directly regarding any issues which you feel may be supported through health mentor work. We endeavour to respond to any emails received within 48 hours.

The value this term – Generosity

At the beginning of term we are having half the school in the hall for Worship and the other half are having Worship streamed virtually into their classrooms, the half in the hall will then alternate on a weekly basis initially. We hope to have whole school Worship in the hall by half term.

God's generosity is best described as 'grace', love freely given without limit or conditions. This generosity, once experienced and acknowledged by an individual, can in turn release a generous spirit towards others.
