Academic Year 2017/2018

27/04/2018

### Parent Consultations

Thank you so much for your attendance. It was a great opportunity to share information with you as well as a time for you to receive an update on your child's progress. If you did not manage to attend please telephone the office to arrange a time to meet with your child's teacher. Our teachers are usually available at 3.10pm for pre booked appointments.

Following the interest shown in the mathematic resource packs displayed, we are holding a workshop for parents with their children – similar to the science workshop earlier in the year.

This will be on Tuesday 22<sup>nd</sup> May, 3.30-4.30pm in the hall. Mrs Kershaw will plan some activities for you to do with your child which will show you how we use these resources in class to aid your child's learning in mathematics. Packs can be ordered on the night or anytime beforehand if you would like to purchase one. We hope that you can join us.

### Parking

Please could I request that you are considerate of our neighbours when parking around school?

I have had several complaints made directly to school and one via the parish council who have been contacted. The main issues seem to be blocking resident's driveways, parking on their grass and using their drives to turn around in. I have asked Pre-school to communicate this to their parents, as well as for those dropping off between 8 and 9am to not park on the zig zags. Many thanks in anticipation of your support.

### The Deep

Year 3 had a fabulous trip to The Deep. They learnt about the geography of rivers and tides as well as life in the ocean.

The children's behaviour was impeccable. We received compliments from members of the public and the staff at The Deep. I was lucky enough to be able to join the class and can whole heartedly support these views. They were a pleasure to take out.

Thank you to Mrs Hill, Miss Stanton and Mrs Wright also.

In addition to this, I would like to take this opportunity to thank you for the voluntary contributions made towards this trip.

### M and M Theatre Productions

Next Thursday morning the whole school will be invited to watch the latest production on tour, performed by M & M theatre. These are always very professional shows which engage the pupils and carry with them important moral messages. School fund is paying for this.

### Tully Cup

This term, our school value is Truthfulness.

Christians believe that truth is revealed in the Bible and supremely in the person and the life of Jesus Christ. Through Jesus' teaching we are given an insight into the nature of God and the way He means us to live.

Winners this week:

KS 1 – Alfie Fotheringham

KS 2 – Freya Robinson
