### Nativity Performance Reception and KS 1

Preparations are well under way. The sound from the hall is amazing and the children are working really hard to learn their lines. This is a very special time of year and gives the children the wonderful experience of performing in a large group to an audience.

It is lovely to see how the children grow in confidence and those who appear quiet in class do show incredible confidence when singing and acting as a group.

I understand that if a parent or carer does not have a ticket for a performance then it is a commitment to get your child to the performance. However, if all parents took this view then it would be a real shame for other parents and family members not to see all the children performing together. It is only once a year and I certainly look back as a parent and cherish these events.

There will be a room available in school for parent/carers to use from when they drop off their children/child for a performance until the end. The performance will last for a maximum of 40 minutes.

I really hope that your child/children will attend **both** evening performances.

### Tully Cup

This term, our school value is 'Respect'.

The nature of God, as revealed in the Bible, presents all people with a choice. Those whose response is one of respect are acknowledging God's greatness, authority and involvement in the world. This will extend to respect for the created order, including humanity made in the image of God. Reverence takes this response a step further and will include aspects of worship such as awe and wonder, surrender and sacrifice

Winners this week:

KS 1 – Cole S Y2

KS 2 –Layce M Y5
