Academic Year 2017/2018

Busy week One!

Many thanks to all of the parents/carers who have attended our open afternoon and parent consultations.

It was great to see so many of you here on Tuesday and I know your children enjoyed showing you their work. We are all very proud of the standards shown in the books and the way the children can articulate what they are learning. We did have an HMI monitoring visit prior to half term and the report will be available very soon for parents.

Work on the outside area has started. We are very excited to see this taking shape and very soon will be available for the children to use. As soon as the workmen are finished we will have the Key Stage 2 climbing equipment repaired.

Hula Hooping!

Miss Lee kindly organised a very exciting and special EVERGREEN treat for the children this week.

Hoop guy, John Parnell was on Britain's Got Talent, this is a link to his performance:

URGENT – quick response required!

Remembrance Day is next week and the school council requested that we hold a special worship to celebrate and recognise the sacrifices made by our war veterans.

We would like to invite local war veterans to this worship and offer tea and cake afterwards for our visitors.

The school council will prepare and lead the worship on Friday 10th November at 9 o'clock.

If you know of anyone in the local area who might like an invitation please let the office know names and addresses ASAP so we can formally invite them.

Evergreen

Well done to everyone who achieved their Evergreen status.

Please let the office know if you did not receive an Evergreen text this Friday unless you already were aware that your child was not Evergreen.
