### HMI Monitoring Visit Letter

I hope that you all received a copy of the letter, it was sent home with the children this week. A link will be made to the OFSTED site from our website as soon as possible.

We are very pleased with the outcome and feel that the inspector recognised the progress we are continuing to make in order that your children are receiving the highest quality educational experience possible in a safe and nurturing environment.

If you have any comments to make please do let me know. I will be sending out a parent survey towards the end of next week.

### Outside Lighting

We are aware of the issue with the outside lights not currently working. So far we have had one quote to have them repaired and are awaiting another. In the meantime please use the torch on your telephones or carry a torch of some description to minimise the risk as far as possible.

Apologies for any inconvenience and we hope to resolve the problem very soon.
