Year 6

Our Year 6 had a great day on Monday being celebrities.

We had a film crew in school, they filmed a Skype session we had with our friends in Lebanon and interviewed the children and adults. They wanted to know about our work with our peers in other parts of the world and how this impacts on our pupils. The children were so articulate and passionate about our link which was made possible with the support of The British Council.

Mr Cook and I were so impressed with the way they conducted themselves and the confidence they showed when expressing their thoughts about our Connecting Classrooms work.

All of our visitors were so complimentary of our school. A proud moment once again.

Year 3 / 4 Kwik Cricket

On Tuesday we had some of our year 3 and 4 pupils represent our school at an inter school event hosted by TGA.

Once again, the way our pupils behaved was commended. They had a lot of fun and I hope a few will go onto joining local junior cricket clubs.

Please get in touch with school if you would like to find out about the opportunities available in the local area.

M and M Theatre

On Tuesday after half term we have M and M theatre in school performing a version of The Jungle Book.

These are always fabulous performances and we are really looking forward to it.

School is covering the cost.

Evergreen

Well done to everyone who achieved their Evergreen status.

School Lunches

We are finding that at times there is a lot of waste when children are not eating all of their lunch. To help us please check that your child likes the lunch you have chosen for them.

We will be encouraging the children to try and eat more and will start to keep a note of children who are not eating on a regular basis in order for us to let you know.

Another plea – please can you support / teach your child to use a knife and fork to be able to cut up their food.

Medicine at School

Just a polite reminder that the school can only administer medicine that is prescribed by a doctor and only on completion of the 'Parental Agreement Form'.

Safeguarding

We are very fortunate in Lincolnshire as I feel the county support we receive as a school through the Safeguarding team and the Stay Safe Partnership is excellent. I will share with you any updates I receive from them especially in terms of e safety.

In the entrance lobby there is now a display giving parents and carers really useful information about the latest favourite apps, social media activity and ways to keep our children safe. This information is also available on the website and if you would like paper copies of anything we share please contact the office.

Tully Cup

This term, our school value is 'wisdom'.

Christians believe that true wisdom comes from God. As a believer grows in faith so wisdom will increase. In the Bible wisdom is seen as both a gift from God and a characteristic of God.

In his parables Jesus taught that placing trust in God and recognising what is of value in life brings fulfilment.

Winners this week:
