Academic Year 2017/2018

15/06/2018

An exciting week all round. **Year 6** had a lovely time at the Lincoln Cathedral on Tuesday. Our school was chosen to read some prayers which the children delivered with confidence. There were several workshops during the morning and we found out lots of facts during our tour of the building – including quite gruesome ones!

Year 4 went to Eureka in Halifax – it was an early start. The children behaved impeccably and from what I have heard, had a great day of interactive learning.

Charlie in **Year 6** was invited to The University of Lincoln for the day to learn about nutrition and sport psychology. He also had a session on improving technical physical skill which will improve his performance.

Next week, **Year 6** are going to PGL in Caythorpe. I hope the weather is better than last year! I am sure they will have a wonderful time.

Year 4 are out again at a Mini Olympic event, with some **Year 5** Young Ambassadors accompanying them.

Magical Maths is a super fun after school club designed to boost children's confidence and better engage them with maths. For more information we will be holding an assembly for pupils that will be KS2 from September onwards and their parents

on
Tuesday 3rd July at 3pm.

Twitter

Remember to follow what is happening in school. We are sharing the work that your children are doing across the whole curriculum – these subject twitter accounts are accessible to all so we are not putting pictures of the children that can be identified. If you follow Lea School @Lea_Primary_Sch, subject leaders are re-tweeting their subject and you can see what is happening.

Attendance

The greater the attendance, the greater the achievement.

Overall this week
11th – 15th June
97.63%

FOLS Summer Fair.

This year we are holding the Summer Fair straight after school on **Friday 6th July**, 3.30 – 5.30pm.

We hope that you will all be able to stay for a little while to enjoy the fun and games. The theme is **'The Wild West'**.

Tully Cup

This term, our school value is Humility.

Christians believe that Jesus was both servant and king. He demonstrated this through His life, death and resurrection. Jesus taught his disciples what it means to be truly humble. Christians believe that they can serve God by demonstrating humility through their attitudes and actions. This approach to life runs contrary to many role models presented to children in the media and popular culture.

Winners this week:

KS 1 – Lewis Madden

KS 2 – Alfred Hunt
