In case of Closure of a Bubble:

Each child has a Seesaw account which has been updated to their new classes. Parent/carers were sent a Parent Hub earlier this week with the details. Please keep this information safe as this is the way we will be providing home learning in case of us having to close a bubble or bubbles.

The value this term – Thankfulness

This term Worship will be delivered virtually into the classrooms.

A Christian Perspective on Thankfulness:
Christians believe that truth is revealed in the Bible and supremely in the person and life of Jesus Christ.

Through Jesus' teaching we are given an insight into the nature of God and the way in which He means us to live.

Polite Reminder

Please be considerate of all when parking around school. We have seen a couple of parents just pull up in the road, in the school safety zone, to drop their children off today – please don't, as it causes a hazard for other road users and is illegal between 8.00 and 9.00am.

Our PSCO has been around this week just to help us ensure that all of our parents and children are safe coming into school. She has also stopped one or two parents and reminded them of the rules regarding the zig zags and school safety zone.

Please abide by these rules so that we can avoid giving any of our neighbours any grounds to complain.

Neither school nor Pre-school were made aware that there would be residents and Councillors on The Grove last Tuesday morning.

Snippets is sent via Parent Hub each week and published on our website and Facebook
