Bonfire Night

Please join us at Heapham on Saturday 2nd November for our Bonfire celebration. Once again FOLS will be supporting the running of the event. There are posters around school and if you have a class Facebook page I believe the information is also being shared on this.

Road Safety

Thank you all so much for your support you are giving to the children with their campaign to make improvements.

The children will analyse the information from the survey and will put the findings onto Snippets.

We have invited Sir Edward Leigh, members of The Parish Council, representatives from West Lindsey District Council and representatives from LCC Highways to meet with us.

Once we have a date we will let residents know so we can work together on striving for improvement.

Parent Consultations

Once again, a fabulous turn out, thank you for attending and for your feedback. I hope moving back into the class rooms was successful, it certainly meant we could share more information with you in the hall.

Well done to everyone who achieved their Evergreen status.

Attendance

Overall this week -14th – 18th October
92.78%

Attendance Matters.

What do the figures actually mean? For some parents 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly 4 school weeks.

In addition to missed learning, the children quite often find relationships a little challenging when they return from extended breaks.

Please consider all of this before you apply for out of school leave.

Tully Cup

This term, our school value is 'Courage'.

Basic to Christian faith is the claim that God is always present in every situation. This belief has led to great acts of courage that have included facing danger and opposition, overcoming fear, making a stance for what is right and encouraging others to persevere. Through prayer people have found the strength to help them to be courageous.
