FOLS

The FOLS committee met last week to plan events for the coming year. Please look out for the newsletter which outlines events this term and posters are displayed around school.

The first event is the **'Welcome to Reception'** party on Thursday next week. We hope to see lots of reception children and their families at the event.

Christmas Cards

Yes, I have mentioned the banned word! FOLS would like to give parents/carers the opportunity again to purchase Christmas cards designed by their children in order to raise funds for school.

Each child will produce one design in class time. However, we are very aware that families with more than one child may feel obliged to order packs of cards designed by both or more of their children.

If you would like your children to create a family card – where they all contribute please let us know, by sending an email to office@olive-anderson.lincs.sch.uk by the end of next week, Friday 28th September.

Office email

You can now email the office directly with school based queries rather than the enquiries address. As you can imagine, we get lots of companies emailing us with sales promotions so this is a way we can prioritise your emails. Please still ring school for reporting absences.

MacMillan Coffee Morning

Last year, the school council decided that they want to support this charity. We do realise that this may seem contradictory to our recent decision to not allow cakes to be brought into school for birthdays. We made this decision as we are finding more and more children have allergies which can be life threatening and in addition to this we want to promote healthy eating.

The coffee morning is a one off, yearly event. We will be contacting all of the families of children who do have an allergy and will ask them to provide a cake which is suitable for their child, we will manage the event rigorously to ensure these children do not accidentally come into contact with or eat a cake not suitable for them and that they are included in the event.

We have considered alternatives to the coffee morning, but feel that as it is a charity, close to heart, for many of us, that we will go ahead.

Social Media / Mobile Technology

Thank you for your support regarding mobile phones – the children have been handing them in daily and I am pleased children are walking to school whilst the weather is still nice.

Before and After School

Pupils in school, or their siblings are not allowed on the climbing equipment before or after school. These areas require supervision and have strict guidance as to the ages they are appropriate for.

The playground gates will be locked at 3.45pm to safeguard pupils who are in clubs. Thank you for your co-operation with this.

Attendance

The greater the attendance, the greater the achievement.

Overall this week
17th – 21st September

94.40%

Tully Cup

This term, our school value is Generosity
God's generosity is best described as 'grace', love given freely without limit or conditions. This generosity, once experienced and acknowledged by an individual, can in turn release a generous spirit towards others.

Winners this week:

KS 1 – Willow Shaw

KS 2 – Lauren Armstrong

Evergreen

Well done to everyone who achieved their Evergreen status.

Snippets and Diary dates for the year have been finalised, they will be emailed home and published on the website. If you require a paper copy please ask the office for one.
