2020-21 School Year

All children are born with wings – it is our school community which enables them to fly!

What a year!

We have truly pulled together once more and shown our strength and resilience as a school community through a very challenging time.

None of us should under-estimate the positive impact we have had individually and as a school team on those who matter the most to us – our wonderful rainbow children.

Enjoy the summer break – stay safe and keep being the best we can.

Mrs Ireland

Today we have said goodbye to Mrs Ireland.

We are all really excited for her and her family as they are relocating and starting the next chapter of their life journey. Mrs Ireland has been an absolute inspiration to us all, children and staff.

We can share the good news though that she will be popping back now and then in a consultancy capacity for the Autumn term.

Attendance

Here are our attendance figures for 2020-21

3rd September – 21st July 96.77%

You are most probably aware that school leaders do not receive any updated guidance regarding rules around COVID 19 any sooner than the press!

We are hoping that September will bring normality back to schools. We

are planning on this. If so, we will no longer expect people to use the one way system for dropping off and picking up. Gates will open in the morning at 8.45 and be closed at 8.55am which is when the register will be taken. We will be monitoring lates more carefully with this also. Pick up will be 3.30pm for all pupils. Please note that any children who arrive before 8.45am will NOT be supervised by school staff.

Hopefully face masks will only be advisable and you can stop and chat with your friends again!

During school time we sincerely hope that we can mix bubbles again, especially for break times and pastoral times. We would also like to introduce buddy groups which comprise of children from all year groups. We hope that we do not have to use teaching staff to supervise over lunch so they get a proper break in order to prepare fully for the afternoon sessions and be able to mix freely with one another again in the staffroom.

If this is not the case we will, of course, contact you via Parent Hub the week before the children return to school. Staff will all be in school for training and preparation on Thursday 2nd and Friday 3rd September, children return Monday 6th September.

Also, if there have been any changes in your circumstances or an incident which may impact on the well being of your child / children, which you feel it would be of benefit to inform us prior to returning, please contact the health mentor email.

Mrs Woolley and Mrs Cullum will check this the week before we return.

A full list of the holiday dates for next year is available on our website now.

Please note that we have an extra holiday day in lieu of the Queen's Diamond Jubilee.

Parent Forum / Parent Council

We are really keen to start a Parent Forum for next year. We envisage one adult for each year group to represent their co-hort. This will be a time for us to share our development plans and ascertain from you what you think we are doing well and what we can do even better.

If you are keen to be a part of this and can spare some time – once every half term, for an hour, we are happy to hold these in school time, please email

Evergreen

Well done to everyone who has retained their Evergreen status and enjoyed a class treat today.
