### E-Safety

Thank you for your support with the latest social media craze.

Lots of the children were talking about how they are using 'Roblox' safely to me yesterday following discussion we had in school and clearly you have had at home.

Yet again, I am so pleased that the children feel they can talk to the adults in school about any concerns they may have which means we can work with parents and carers promptly to keep all of our children safe, not just when using the internet but at all times.

### Welcome back

It was great to welcome Nellie back this week. She has taken on the role of 'pastoral' care during lunchtimes.

Nellie is based in the library and children can request a library pass in order to use the space for quiet reading or drawing, or to chat with Nellie if they wish.

It is also wonderful that we can use of the library more of the time.

### Safeguarding

We are very fortunate in Lincolnshire as I feel the county support we receive as a school through the Safeguarding team and the Stay Safe Partnership is excellent. I will share with you any updates I receive from them especially in terms of e safety. In the entrance lobby there is now a display giving parents and carers really useful information about the latest favourite apps, social media activity and ways to keep our children safe. This information is also available on the website and if you would like paper copies of anything we share please contact the office. Please find below some of the links shared with us for latest updates:

### PE

Please can you ensure that your child has the correct PE kit in school everyday. We will not be allowing children to borrow kit from other children or siblings as per our policy.

**As the weather has turned please could you send a pair of tracksuit bottoms or leggings – in blue if possible, but any colour is fine. Also a spare pair of socks would be useful as some lessons will still take place on the field and a change of socks will ensure the comfort of your child.**

### Tully Cup

This term, our school value is 'wisdom'.

Christians believe that true wisdom comes from God. As a believer grows in faith so wisdom will increase. In the

Bible wisdom is seen as both a gift from God and a characteristic of God.

In his parables Jesus taught that placing trust in God and recognising what is of value in life brings fulfilment.

Winners this week:

KS 1 – Harry S Yr1  
KS 2 – Freya R Yr6
