Reception Welcome Party

What a lovely time we had, the weather once again was so kind to us.

Thank you to FOLS for organising and let's hope we gather a few more FOLS members from this.

Christmas Cards

Yes, I have mentioned the banned word! FOLS would like to give parents/carers the opportunity again to purchase Christmas cards designed by their children in order to raise funds for school. Each child will produce one design in class time.

However, we are very aware that families with more than one child may feel obliged to order packs of cards designed by both or more of their children. If you would like your children to create a family card – where they all contribute please let us know, by sending an email to office@olive-anderson.lincs.sch.uk

The deadline for this is today – if you have not let the office know that you want your children to create one card between them then each child will do their own. We will check for emails on Monday for the last time regarding this matter.

MacMillan Coffee Morning

Thank you for your generous donations for this very worthy cause. It was lovely to see so many of you. We will have a total for you next week.

Evergreen

Well done to everyone who achieved their Evergreen status.

Earrings

If your child wears an earring/earrings to school could you please send them to school with plasters to cover them if they are unable to take them out for PE lessons.

We cannot keep providing them for this reason, our priority must be for first aid use.

Thank you for your assistance in this matter.

Harvest Festival

We will be walking to Church to celebrate Harvest on Friday 5th October at 9.30am.

For those who are new to school, children tend to bring in an item of non-perishable food which they take to the altar on arrival in Church.

Parents are welcome to join us, and if any reception parents are able to help us to walk to and back from church, this would be appreciated.

Office email

You can now email the office directly with school based queries rather than the enquiries address. As you can imagine, we get lots of companies emailing us with sales promotions so this is a way we can prioritise your emails.

Please still ring school for reporting absences.

School Photographs

The children will all have individual photographs taken on Thursday 4th October. If your child has a younger sibling who is not in school yet you can bring them from 8.30 – 8.45 if you would like a photograph of them together.

If your child has a sibling in school they will have their picture taken together during school time as well as their individual photographs

Before and After School

Pupils in school, or their siblings are not allowed on the climbing equipment before or after school. These areas require supervision and have strict guidance as to the ages they are appropriate for.

The playground gates will be locked at 3.45pm to safeguard pupils who are in clubs. Thank you for your co-operation with this.

Tully Cup

This term, our school value is Generosity

God's generosity is best described as 'grace', love given freely without limit or conditions. This generosity, once experienced and acknowledged by an individual, can in turn release a generous spirit towards others.

Winners this week:

KS 1 – Joedon McG Yr1

KS 2 – Jessica T Yr5

Attendance

The greater the attendance, the greater the achievement.
