Summer Term 1

What an exciting and activity packed first couple of weeks back!

Firstly, we have had the wonderful M and M theatre company in.

They have put on a show of 'The Wizard of Oz', which was a mixture of film and one actor to meet COVID safety measures. Each class had their own performance. Thomas in Year 5 said he thought it was good the way they used modern songs and old fashioned songs in the production so it appealed to everyone.

This term we have also started with some new PE coaches. We have Coach Oliver and Coach Mark from Premier Sports. They have been brilliant with all of the children and the focus is building friendships and relationships through a range of team games. We felt this is really important as we are still feeling the effects of the pandemic in class in terms of building our social skills up and feeling good about ourselves and those around us.

For dance we have welcomed Coach Beth back – always great, lively sessions. The children (and adults) come back to class with a smile on their face and feeling good!

Bikeability

Year 5 have had bikeability this week. We are so proud of all of the children once again. The instructors were very complimentary about your children; their behaviour, their listening and their skills.

We had a resident make the effort to call school as they had been watching them whilst waiting for a grocery delivery, they said their behaviour was impeccable – one of my favourite words to use with the children in regards to their behaviour.

Evergreen

Well done to everyone who has retained their Evergreen status and enjoyed a class treat today.

COVID 19 tracking

If your child develops symptoms please arrange a PCR test and inform us of the results as soon as you possible as we would need to take advice from public health regarding the rest of your child's bubble if the result was positive.

Please use the email address below if this occurs over a weekend.

The value this term – Truthfulness

This term Worship will be delivered virtually into the classrooms.

A Christian Perspective on Truthfulness:

Christians believe that truth is revealed in the Bible and supremely in the person and life of Jesus Christ.
