 'Being different, Belonging together'

Dear Parents.

In an effort to keep you more informed about what we are doing and share some of the fantastic things that happen in school, each class have set up a 'Twitter' account.

We will use these accounts for-

- Links to websites, apps and videos that you can use to support learning.
- Commentary about what is happening within the classroom.
- Events that are taking place.
- Videos and photos of learning as it is taking place in the classroom (your child will not be photographed if you have asked us not to).

In line with the schools safeguarding guidelines and to ensure that this facility is run safely, we have put in place security settings, so that we can only be followed by people we approve - this will not be available to the general public, only people we know have a link to the school. It is also requested that this should be for use by adults only, not for pupils to post comments.

If you would like to follow us on Twitter, please use these links and request to follow us:

Year R     @YearRLea  
 Year 1     @Year1Lea  
 Year 2     @Year2Lea  
 Year 3     @Year3Lea  
 Year 4     @Year4Lea  
 Year 5     @Year5Lea  
 Year 6     @Year6Lea  
 Mrs Woolley @Mrs\_Woolley\_Lea

In addition to these we also have a school account @Lea\_Primary\_Sch which is available to the general public. We use this on our website to celebrate the range of activities happening at school. We do not put photos or anything that can identify your child on this account.

You will need to set up a Twitter account if you do not already have one. So that we know who you are, please complete the form. In the interests of Internet safety I know many of you will have a username that is not the same as your actual name so it may be difficult to identify you so please give your known name. We will then accept your request and you will be able to follow what is happening within our school. We will not accept any requests to follow us unless the form below is completed and returned to school.

If you would like to follow some of the classes on Twitter but have never used Twitter before and find it a bit overwhelming please speak to Mr Cook and he can help you to set up an account and show you how to "tweet". Twitter can be downloaded onto many mobile phones as well as iPads, iPods, laptops and computers so you access our tweets anytime, anywhere.

Happy tweeting.

Mrs S Woolley

Could you please complete this form again even if you are already using Twitter so that we can update our records.

I would like to follow the school on Twitter.
