

Welcome to Yr 2

Year 2 Term 1

Dear Parents,

Topic

Our class topic this term is '**Wriggle and Crawl**'. This is a science based topic looking at mini beasts and the different environments in which they live in. All other subjects will be based around this topic.

Homework

No formal homework will be set this term however I will send the topic homework list and suggestions for websites if you wish to complete any tasks. Please post your finished topic homework on Seesaw which we will then share with the class.

Reading- We will start to send home reading books home next week. This is the only home learning that we expect to be done this term. We have a class reading challenge to encourage as much reading at home as possible. Please see the Reading Challenge booklet for details.

PE

PE will be on Wednesday this term. Children will need to have their PE kits in school at all times. A PE kit should include: T-shirt, shorts, plimsolls, socks, tracksuit bottoms and top and trainers. Please label all items of clothing.

Other

- Ideas for Topic homework will be sent via Parent Hub and posted on Seesaw. Please choose as many as you want off the list to complete during this term. At the moment we cannot have items brought in from home so if your child has some topic homework they would like to share with me and the class, please can they post a photo or make a video of it and post on Seesaw. I will then share them with the rest of the class on Fridays.
- Evergreen- (a reward given every week to children who display the correct behaviour at all times). The children are aware of unacceptable behaviour and are given a reminder then a warning, if this occurs more than once in a day they will be given a green slip to take to the head teacher and lose their evergreen. Children are given the opportunity to earn 75% back. Certain behaviours deemed to be severe can result in losing their evergreen immediately. A text at the end of each week will be sent home to inform you of this. Positive behaviour is rewarded with team points, certificates, praise and their evergreen treat.

And finally...

I hope your child enjoys their first term in Year 2, should you have any concerns or problems please do not hesitate to contact us.
