

Curriculum Letter

Year 2 Term 6

Dear Parents,

Topic

Our class topic this term is 'Beachcombers'. As part of this topic the children will be reading and writing stories about beaches, also writing facts about beaches and what can be found there. In Geography we will be looking at the features of our coastlines and seaside holiday destinations around the world (if you have a photo of your family at a seaside, either home or abroad, send it in and we will put it in on our map). In History we will be learning about seaside holidays in the past. All other subjects will be linked to this theme where appropriate.

Homework

Reading- Home readers will be checked at school once a week. The books will be changed when we feel a child is not only confident with reading the text and key words but also understands the story or fact book. Re-read the book several times to encourage fluency. See the questions at the back of the book to aid your child at home. Please fill in the reading journal and should your child finish a book feel free to write in extra books they have read from home. We are concentrating on comprehension skills if your child is a fluent reader, you can help by asking them questions about what they have read. I've attached a guide for you with questions you could ask.

Maths- Please can you help your child work their way through any units they have not covered in the Collins homework book. We have covered all the units apart from capacity and weight, which we will cover this term.

Topic- Ideas attached. Please post any work done on Seesaw

PE

PE: Dance on a **Monday** afternoon with Beth and Athletics on **Thursday** afternoon with Coach Ollie. Children will need to have their PE kits in school at all times. A PE kit should include: T-shirt, shorts, plimsolls, socks, tracksuit bottoms and top and trainers. Please label all items of clothing.

And finally...

I hope your child enjoys their final term in Year 2, should you have any concerns or problems please do not hesitate to contact me.
