

Dear Parents,

Welcome to the summer term! We hope you all had a restful and enjoyable holiday.

TOPIC

Our new topic this term is 'Urban Pioneers'. Within this topic we will look at the local area of Lea and Gainsborough. We will look at maps, create our own and look at how things have changed over time. We will also look at how we can improve and make the local town better. We will use computers to research, use digital images and maps. Linked to this children will look at urban art and create their own designs.

SCIENCE

This term we will continue to look at and investigate plants, alongside this, we will also start to look at forces.

PE

The children will now have PE on Monday afternoon where they will be looking at circuit training and measuring the impact that exercise has on our bodies.

The children will continue to have a PE session

Thursday mornings with Coach Alex and the focus for this will be cricket.

Homework

We will continue to hand out spellings, maths and English activities.

The hand in date for homework will be specified. Please continue to hear your child read at home. Please discuss new vocabulary with them and talk about the stories they are reading. We have noticed a

real improvement in the recall of times tables. Please continue to practise and learn these at home.

If you have any problems or any queries at any time please don't hesitate in coming in to see us.

Many thanks for your support.

Yours sincerely,

Mrs Hill and Mrs Ireland
