**Positive comments**

The teacher / headteacher is always available to talk to.

Teacher is happy to give extra information ie books, apps to help with homework.

Very happy with all aspects of school.

My child has grown with confidence within this school, she is very happy in school and enjoys all of her classes.

She feels fully supported at school by her peers as well as staff.

Overall, really happy with the school, my children are generally happy and like attending, like the teachers etc.

**Areas to improve**

No overall trend or common area of concern was highlighted. However, some actions to improve could be:

More notice for help with trips when required

Sports teams for younger ages

Too much homework

More out of school activity

Additional updates on child's progress

11+ papers would be helpful for children in Year 5 and up

Parents to be introduced to new teachers during transition.

Results on school meal survey

Reminders for ordering school uniform

Way to communicate with class teacher if a working parent.

**Immediate actions**

If you wish to contact your child's class teacher and cannot see them face to face, please e mail [enquiries@olive-anderson.lincs.sch.uk](mailto:enquiries@olive-anderson.lincs.sch.uk) and ask for the e mail to be forwarded to the relevant staff member.

The school meals survey is being collated and analysed by a Governor and a summary will be given to parents as soon as it is available.

This year, you will receive an update every term on how your child is progressing as shared at parent consultation. If there is not a face to face meeting or a written report for that term you will receive an overview on behaviour and attainment.

School uniform can be ordered at any point during the year, however, we can send a text reminder at the end of the academic year informing of the deadline for new orders to be put in before the end of term.

We will endeavour to give more notice for trips when help is required.

With regard to meeting the new teachers, this is something I would like to incorporate into the open evening at the end of the summer term when you are all invited into school, following the receipt of your child's report.

**Many thanks for your continued support – please do not hesitate to get in touch if you have any individual concerns to raise.**
