Reception and Key Stage 1 performed three fabulous shows this week. Well done to everyone; it was a real treat and made us all very proud to be part of Frances Olive Anderson C of E School. We are privileged to work with such fantastic children and their families. We are looking forward to the rest of our Christmas celebrations, including our Christingle service on Tuesday 13<sup>th</sup> December and our Church Christmas Service on the last day of term.

### School Lunches

Many thanks for your completed surveys which have been summarised and presented to Governors. Mr Farrow, School Governor, has carried out spot checks and interviewed the pupils on their opinions of the school lunches they receive. As a result, our Chair of Governors has written to our supplier outlining our concerns. If we do not receive a satisfactory outcome we will be investigating alternative providers.

### Tully Cup

This term, our school value is Creativity. Seen from a Christian perspective, all of life is a 'gift', entrusted by a loving creator God to humankind for a purpose. This purpose is glimpsed as the creative spirit within as each person learns to value and explore, celebrate and enjoy this world in all its mystery and diversity. With this gift comes a mutual responsibility to ensure creation is not spoiled, but rather sustained and shared by all.

If you would like to explore this value further at home, I will be putting some homework ideas on our website.

Winners this week:  
KS 1 – Leo Pearson  
KS 2 – Evie Durham
