### The Lion King

I cannot praise the children and staff enough for the wonderful performances of The Lion King this week. It is times like this that we really reflect on the absolute privilege we have working with such talented, confident and well-rounded pupils and of course their families.

*God doesn't give special kids to special parents. He takes ordinary, imperfect people, and gifts them with his greatest treasures. And therein, he creates special parents.*

### Fire Safety

It has been brought to my attention that there is a fire hydrant point outside number 25 on The Grove – it is clearly marked with bright yellow paint. If there is an emergency and the fire service are in attendance, they will need access to this point. There is no problem leaving your vehicle parked here for short periods of time, but it would be best not to leave your car there for any length of time – this will need considering when parking for outside school events.

Many thanks for your continued support with our limited parking space.

### Football Success

Well done to our football team. We were invited to Corringham CE Primary School to take part in the annual memorial tournament they host for David Stainton-Watson. The team played brilliantly together and came away as winners!
