True Motion dance

Good luck to our fabulous dancers tonight. This year the theme is refugees. We are so lucky to have Miss Wallwork working with our children – the choreography is truly inspirational. The story told by the dancers really does send a shiver down your spine. Such an emotive topic.

Sickness

We are really struggling at the moment with the sickness bug. It is really important that if your child is sick or has diarrhoea that you keep them off school for the **full 48 hours** from the last time they are sick or have diarrhoea, as is advised by the office when you call in the absence. We are finding that children are returning to school before the 48 hours and as a result the bug is just spreading to others.

Communication

To further improve communication, we have added a section on our website for copies of letters from the office to be available to download as required.

Comic Relief

We are going to be supporting Comic Relief Friday 24th March. We will be asking the children via the school

council what they would like to do. Red noses will be on sale.

Young Voices

Everyone had an amazing time. The children were beautifully behaved, the experience was sensational. Please follow Reception on twitter to see some of the highlights.

VOICES

World Book Day

Thursday 2nd March 2017

Children will be able to dress as a book character for the day. They may want to be a character from Alice in Wonderland as we are fortunate to be having a visit from M and M Theatre Productions and the play is Alice in Wonderland. We are also hosting 'kiddicoook' who are carrying out cooking workshops linked to Alice in Wonderland.

This term, our school value is Peace. Jesus said:

“Blessed are the peacemakers, for they shall be called children of God.” (Matthew 5: 9) Peace-making actions can range from helping to resolve conflict to creating space for stillness. Peace, in the sense of total well-being, is God’s intention for the whole of creation, and is a promise that awaits ultimate fulfilment.

If you would like to explore this value further at home, I will be putting some homework ideas on our website.
