Academic Year 2016/2017

21/10/2016

A great end of our first term back with our fabulous pink/purple disco. We raised an incredible £134.00 for Breast Cancer awareness and £214.05 for the FOLS project.

Thank you to everyone who attended, Mr Cook for great music and games as always, all the FOLS team and any other parent helpers. Without you, these events would not happen and what a great way to bring our school community together whilst raising awareness of a very important cause.

Anniversary Tea Towels

If anyone would like an anniversary tea towel they will be available from the school office after half term at a cost of £5.00. Cheques to be made payable to: Friends of Lea School.

Can you Help?

Babworth Animal Rescue Kennels (BARK) are appealing for donations of any cuddly toys which are in good condition. They sell these at their fundraising in order to raise funds to support the wonderful work this charity carries out.

In addition to this, St Barnabas Hospice in Lincoln require clean, light weight fleece blankets for their patients.

If you are able to support either of these fabulous charities, please send

cuddly toys and blankets to school. Mrs Salt will collect the cuddly toys and Frankie's Mum in reception will collect the blankets. Many thanks for your continued support.

FOLS
FOLS have set up a Facebook page. You can find them using fols lea search. Please support the FOLS in any way you can, they do a fabulous job for our children.

Next event: pink/purple disco, money raised on the door will be donated to **The Breast Cancer Awareness Charity.**

Attendance
Well done to the following classes for 100% attendance:
Year 4 Mrs Malone

Whole School
97.28%

Parent Workshops

Thank you to everyone who attended the Early Years and Key Stage 1 reading workshop. There was a great deal of very positive feedback from those who did attend.

Next Workshop
Mathematics Calculations – how do we teach your children?

Much has changed over the years in the teaching of mathematics. Following feedback from many parents, we know that you would like advice on how best to support your child when they are completing homework. We are holding a workshop on **Thursday 24th November**. This is relevant for all as we will cover basic calculation strategies from Reception through to Year 6.

We propose to hold one at 3.40pm again, we will provide child care if necessary for the duration of the meeting and another at 7pm. Please spread the word and encourage as many parents as possible to attend. If you have any further suggestions on how to attract more parents to these workshops, please let Mrs Woolley know.

Tully Cup
This term, our school value is Courage.

Basic to the Christian faith is the claim that God is always present in every situation. This belief has led to great acts of courage that have included facing danger and opposition, overcoming fear, making a stand for what is right and encouraging others to persevere. Through prayer people have found the strength to help them to be courageous.
Winners this week:
KS 1 – Millie Burrows
KS 2 – Katie Leek

Photographs

All photograph orders to the office by Thursday 3rd November.

Remember to check our website for important information and register to follow your class on Twitter.
