Academic Year 2016/2017

30/09/2016

Thank you all so much for joining us for our MacMillan coffee morning and for the wonderful supply of fabulous cakes. All the children enjoyed baking cakes to sell and sharing the special time with their grownups in school. We will let you know when we have counted up the donations.

Later this term, we will be turning our school pink for the school disco, FOLS have agreed to donate the entry fee to breast cancer research and other funds raised will go towards developing our outdoor area – hopefully we will have some detailed drawings to share with you very soon.

Fun was had by all on Monday, we had our first Maths WOW day. The children all worked in teams on a variety of puzzles which required logic and problem solving skills.

### Parent Consultations and Open Afternoon

This year we have planned to host an open afternoon prior to each parent consultation to give the opportunity for the children to share their books and work with their parent or carer. On Monday you are welcome to visit your child's classroom from 3.10pm. If you are unable to make this you will have the opportunity to look at your child's books after you have met your child's teacher at the parent consultation.

### Tully Cup

This term, our school value is Courage. Basic to the Christian faith is the claim that God is always present in every situation. This belief has led to great acts of courage that have included facing danger and opposition, overcoming fear, making a stand for what is right and encouraging others to persevere. Through prayer people have found the strength to help them to be courageous.

Winners this week:

KS 1 – Ollie Randall  
KS 2 – Maddie Gillum

### Anti-Bullying

Two weeks ago, our Year 6 wrote and presented an assembly for their house teams all about bullying. They talked about the definition of bullying:

**S**everal  
**T**imes  
**O**n  
**P**urpose

types of bullying and what to do if they or a peer was being bullying. If you have a concern please see our anti-bullying policy on our website; your first point of contact should be your child's class teacher. The children know that they can talk to any adult at school, but you as parents/carers will be the first to notice any changes in behaviours.

### Gates

We have recognised that there have been some times when the gates have not been opened on time and occasionally Collective Worship has over run which has meant the children have been a little late out. We apologise for this and have made some changes in order to prevent this from happening again. Thank you for your patience.

### Evergreen

Well done to everyone who achieved their Evergreen status.

### Football and Pokémon trading cards.

Due to past experience, we do not encourage children to bring these cards to school.
