

Term 6

Curriculum Overview

Dear Children, Parents and Carers,

8th June 2016

Welcome back for our very last term together! Last push of hard work so that we can have lots of fun together before you all move up to Year 2!

Curriculum Overview

- **English** - Digital Literacy based on the animated film 'Rio'.
- **Maths** - Fractions, shape, money and measure.
- **Science** - Animals around school and caring for a pet.
- **RE** - Belonging to a Jewish Community.
- **Music** - Carnival instruments and a Brazilian dance workshop.
- **Topic** (Geography/History/Computing/Art/DT) - Rio (Carnival and Olympics).
- **PE** - On Mondays we will be swimming and on Thursdays we will continue to have Coach Chris.

Phonics App

I hope you found the Phonics resource pack that was sent home before the half term useful, along with a suggested list of websites and apps.

I have discovered another very useful phonics app called '**fonics**' (for Android and Apple). I recommend you download this app, as I think it will be very beneficial on the run up to the Phonics Screening Test next week (week commencing 13th June). We will also be using it in school as it contains all the phonemes along with activities for each one.

General notices

- Lots to look forward to this term including Sports Day, Summer Carnival and the children's 2 week transition period in Year 2.
- As the weather starts to warm up now (fingers crossed), please send your child to school with a named water bottle. This water bottle can then be taken outside during PE lessons and other outdoor activities.
- Our final Year 1 class assembly is on Wednesday 15th June.
- Well done to all the children who have kept their Evergreen this term.

Kind regards,
Miss S Lee
