'Being different, Belonging together'

24th February 2017

Dear Parents/Carers

On Wednesday 22nd March 2017 Queen Elizabeth's High School are holding a STEM (Science, Technology, English and Maths) fair for Year 5/6 children. This is an exciting opportunity for the pupils as there are lots of experiments, demonstrations and hands-on activities planned for them to participate in.

We are attending the afternoon session and will be transporting the children to QEHS by coach. As this is during the school day the children will return in time to leave school at the normal time of 3.30pm.

Although there is no cost for this trip, we still need permission for your child/ren to attend. Please complete the slip below and return to school by Friday 3rd March 2017.
