Academic Year 2015/2016

08/07/2016

The children and staff have had a great week getting to know one another during transition mornings. We are really impressed with the way the children have settled and engaged in team building and class building activities.

Final preparations are being made for the Year 5/6 performance of The Lion King. All the children have watched the dress rehearsal on Friday afternoon. It was truly superb!

It has been brought to my attention that there is a fire hydrant point outside number 25 on The Grove – it is clearly marked with bright yellow paint. If there is an emergency and the fire service are in attendance, they will need access to this point. There is no problem leaving your vehicle parked here for short periods of time, but it would be best not to leave your car there for any length of time – this will need considering when parking for our performances.

Many thanks for your continued support with our limited parking space.

### Year 4 – Mrs Malone

We are looking forward to welcoming Mrs Malone to our team. She will be teaching the new Year 4 class and be the Deputy Headteacher for the Autumn Term. Mrs Malone has been working as an advisor in schools and prior to this has 15 years teaching experience. She has been a special needs coordinator, was a lead teacher for assessment and literacy. Supporting not only within her own school, but also supporting in others.

Mrs Malone will be meeting her new class during the two weeks transition period, every morning bar 2.
