Academic Year 2015/2016

11/03/2016

This term's value is perseverance, I love this image – one of my firm beliefs is that we must encourage all of the children in our care to develop the attitude 'I can't do it yet!' rather than 'I can't do it'.

After Easter I will be sending information home about the attitudes to learning which we are going to focus on in school as well as behaviour for learning we are developing with the children. A brief explanation is that we want to foster attitudes such as determination, motivation, perseverance together with a willingness to think outside the box, make links from previous learning and value mistakes as a way to learning. This together with good behaviours for learning – sitting still, not shouting out, taking a pride in presentation, good manners and active listening will enable all pupils to reach their own individual potentials and give them the resilience they require in our ever changing world.

Attendance

Overall last week
22nd – 26th February
Year 3: 99.23%

Tully Cup

This half term, our school value is Perseverance. This has followed our topic on 'people who have made a significant difference' perfectly. Our Collective Worship will be based around this value and lessons in class will explore this further.

This week, the Tully Cup winners are:

KS 1 – Ollie Randall

KS 2 – Ruby Allen

Football

Well done to the football team.

Last night our football team played Morton Trentside.

Yesterday's football game against Morton ended up at a 4-2 loss, but all

the players worked hard and persevered into scoring 2 fantastic goals by Harry Doyle and Leo

Bolderson. With amazing encouragement from the crowd the team carried on with great strength and determination throughout the whole game.

Easter Bingo

On: Saturday 19th March.

6pm for a 6.30pm start.

At: Kexby Village Hall

Friday 18th March will be a non uniform day and the children will be asked to bring in a donation of an Easter Egg.

Indoor Athletics Final

Good luck to all of the children representing our school at the county final on Monday.

True Motion Dance Final

A huge well done to our dancers. The children performed brilliantly – the best we have seen so far! There were 11 finalists and we were placed 3rd.

Overall 40 schools entered the Primary competition from all over Lincolnshire. So a fantastic achievement, I am sure we will be entering again next year. A big thank you must go to Miss Mitchell for all of her efforts and time given for this and to Mrs Bolderson for helping with the make-up, costumes and hair on the day. Thank you also to all the parents who were able to attend – we were the loudest in the audience!

FOLS

To get FOLS back to its former glory we need an AGM. This is on Monday 21st March, 6 – 7pm at school. The

following posts must be filled: Chairperson, Secretary and treasurer.

Anyone wishing to be nominated should give their names to a member of the office staff please.
