### End of term 5

We have had yet another action packed half term. Thank you for your continued support throughout and feedback with regards to the possibility of an INSET day on the day of the Lincolnshire Show next year. The majority of parents/carers who have returned the slip have indicated that they would not like the Governors to consider moving an INSET day to a day of the Lincolnshire Show.

Next term the children will be learning about Rio. I am sure this is going to be an exciting and colourful topic to learn through. We have art, dance and science workshops planned for the next term to enhance and add to the learning experiences for our children. The theme will culminate with our Summer Carnival organised by our wonderful FOLS team. Make sure you keep the date free – Saturday 16<sup>th</sup> July. If any of you know of an Olympic Sportsperson, past or present, who may be willing to come into school please let us know. Also if anyone has a contact with someone who would like to promote a lesser known Olympic sport, we would be interested in meeting with them.

### SAFETY

#### Climbing Frame outside Mrs Douce's Classroom.

This climbing frame is **ONLY** to be used by children who are in Key Stage 2 ie from the school year the

children turn 8 years old. Historically the trim trial which has been replaced in the Early Years was for the younger children. However with the developments over time this became enclosed within the reception area. We do have plans to build a trim trial or a climbing frame for the use of Key Stage 1. With this in mind please **DO NOT** allow younger children to use this equipment after school whilst waiting for siblings to be picked up. We are not covered by insurance should there be an accident. We will place signs on the climbing frame as a reminder.
