

Dear Parents,

Welcome to Spring term 2! We hope you all had a restful and enjoyable holiday.

TARGETS

We look forward to welcoming you to parents evening this term, when we will share your child's progress and new targets with you.

TOPIC

Our new topic this term is 'The invaders are coming!' Within this topic we will focus on the Vikings. The topic will cover many aspects and subject areas including: History, Geography, Science, PE, Design and Technology, Art, Music and RE.

For History children will be learning about the Vikings and their invasion of the British Isles. They will look at the impact this had on Great Britain as well as the local area.

Geography will involve taking an in-depth look at Scandinavia, in particular Norway. It will also involve map work looking at areas of the UK where Vikings settled.

SCIENCE

This term we will be investigating plants and what they need to grow and survive. We will be carrying out many different investigations, focussing on our collaboration and report writing skills.

PE

The children will continue to swim on Monday afternoons this term (you have received a separate letter about this) and the children will have a PE session Thursday mornings with Coach Chris.

Homework

We will continue to hand out weekly spelling and Maths homework and please continue to hear your child read at home and help them to learn their times tables.

We have sent out a separate letter with different Viking activities. Could your child please complete one of these activities and bring in any evidence by Friday 18th March?

If you have any problems or any queries at any time please don't hesitate in coming in to see us.

Many thanks for your support.

Yours sincerely,

Mrs Hill and Mrs Ireland
