Diocese of Lincoln

10th June 2016

Dear Parents/Carers,

We're almost there! I hope that you and the children had a relaxing week and are feeling prepared for what promises to be a jam-packed final term!

### Curriculum Overview

To begin the term, there is going to be a focus on writing, as we near the assessment deadlines. The children will be editing and improving their written work, with the aim of achieving the criteria to be 'working at the expected standard'.

In maths, the children will be applying the skills they have learnt over the last year to real-life situations and project work. This should help many of them to become masters in the mathematics curriculum.

In other subjects, the topics for this term are:

- **Science:** Completion of living things in their habitats, followed by puberty (cross curricular with PSHE)
- **Topic (Geography/History/Art):** Rio
- **RE:** What can we learn from the life of Jesus?
- **PSHE-** Changes: Sports Day, stranger danger, sex and relationships (how the body works and changes in puberty), risk taking and dealing with pressure, transition arrangements
- **ICT-** Computer Programming
- **PE-** Coach Chris will be teaching athletics this term and we will be doing additional sporting activities in preparation for Sports Day
- **Drama/Music/Speaking and Listening-** The Lion King!

### Homework

Although the children have been given a break from regular homework, they should continue to learn their times tables, practise spellings and could also keep working through their SATs homework booklets, in preparation for starting secondary school. In addition to this, they should try to put extra practise at home into learning lines and songs ready for their end-of-year performance of the Lion King.

I would like to take this opportunity to mention how pleased I am with each and every child's progress this year. Despite it being a very challenging year, they have worked so hard to overcome any obstacles they have been faced with and for that, I am immensely proud. Thank you for your continued support and involvement in your child's learning. Please do not hesitate to contact me, should you wish to discuss any other issues/concerns.

Kind Regards,

Miss F Mitchell
