

Year 3 Newsletter

Dear Parents and Carers,

We hope you have all had a restful half term.

Topic

The Topic this term is 'Heroes and Villains'. Within the topic we are learning about different characters in history and 'crime and punishment'. This will link into science where we will look at 'Light' and investigate what villainous creatures live in the dark! In English we will continue looking at Roald Dahl books beginning with Matilda, we will be discussing the heroic characters we find in this book.

Maths

This term we will be looking a multiplication and division, fractions and 3D shape. We will continue to learn our times tables in particular 3,4, and 8 times.

Reading

Please continue to support your children at home as much as possible, discussing new vocabulary and themes within the books. The children made fantastic progress last term which we want to build on!

PE

Now the weather has turned please remember jogging bottoms and a warm sweater.

Any queries or concerns please do come and see us,
Yours Sincerely,

Mrs Hill and Mrs Ireland
