

'Being different, Belonging together'

A Whole School Guidance for SEND

Background

The coalition government reformed the way in which provision and support is made for children and young people with special educational needs and/or disabilities (SEND) in England. Legislation (The Children and Families Act 2014) enacted on the 13th March came into force from the 1st September 2014. A new SEND Code of Practice also accompanied this legislation.

More details about the reforms and the SEND Code of Practice can be found on the Department for Education's website:

<https://www.gov.uk/government/publications/send-code-of-practice-0-to-25>

<https://www.gov.uk/children-with-special-educational-needs/special-educational-needs-support>

One significant change arising from the reforms is that Statements of Special Educational Needs, for those children with the most complex needs, have now been replaced with a new Education, Health and Care (EHC) Plan. These plans are being supported by an Education, Health and Care Plan Pathway.

The SEND Local Offer is a resource which is designed to support children and young people with special educational needs and/or disabilities and their families. It describes the services and provision that are available both to those families in Lincolnshire that have an Education, Health and Care Plan and those who do not have a plan, but still experience some form of special educational need. The SEND Local Offer includes information about public services across education, health and social care, as well as those provided by the private, voluntary and community sectors.

Mission Statement:

BEING DIFFERENT, BELONGING TOGETHER

Our Vision

Our **vision** is to fully equip our children with values, skills and knowledge that provide the building blocks for their future.

Aims

We aim to provide every child with access to a broad and balanced education. This includes the National Curriculum in line with the Special Educational Needs Code of Practice.

At Frances Olive Anderson Church of England School we aim to ensure that:

- All the children have access to a broad and balanced curriculum.
- All the children have access to the Early Learning Goals at the Foundation Stage and the National Curriculum at Key Stages 1 and 2.
- All teaching staff are enabled and receive support and training to ensure that all the children have access to a broad and balanced curriculum, the Early Learning Goals at the Foundation Stage and the National Curriculum at Key Stages 1 and 2.
- All parents/carers are kept informed about and are involved in their child's education.
- All the school staff, children, parents/carers and governors are aware that they have an important role to play in creating a caring, supportive school environment in which all children are secure, happy and equally valued.
- The provision of resources, both human and material is appropriate and sufficient to enable flexibility of use and to support all children's individual learning needs.
- The roles and responsibilities of all who are concerned about and involved with children with special educational needs are clearly defined, understood and implemented.
- The fundamental principles of the Code of Practice are upheld efficiently and effectively.

The LA Local Offer details (Regulation 53, Part 4) can be found at: <http://www.lincolnshire.gov.uk/parents/support-and-aspiration/sen-and-d-reforms/thelocal-offer/>

Our SEND Information Report (Regulation 51, Part 3, section 69 [3a]) is available on our website www.olive-anderson.lincs.sch.uk

Staffing

The SEND team consists of – SENDCo - Mr Stewart Cook

In school we have a wide range of teachers and staff with expertise in different areas of SEND, see Appendix 1 for list of the main qualifications/ training.

Governors Role

Our Governing Body must:

- Do its best to ensure that the necessary provision is made for any child who has special educational needs
- Ensure that where the 'responsible person' – the Head teacher or the appropriate governor – has been informed by the LA that a pupil has special educational needs, those needs are made known to all who are likely to teach them
- Ensure that teachers in the school are aware of the importance of identifying, and providing for, those children who have special educational needs
- Consult the LA and the governing bodies of other schools, when it seems to be necessary or desirable in the interests of coordinated special educational provision in the area as a whole
- Ensure that a pupil with special educational needs joins in the activities of the school together with children who do not have special educational needs, so far as is reasonably practical and compatible with the child receiving the special educational provision their learning needs call for and the efficient education of the children with whom they are educated and the efficient use of resources
- Report to parents/carers on the implementation of the school's policy for children with special educational needs
- Have regard to the Special Educational Needs Code of Practice (2014) when carrying out its duties toward all children with special educational needs
- Ensure that parents/carers are notified of a decision by the school that SEND provision is being made for their child.

The governors play an important role in ensuring that:

- They are fully involved in developing and monitoring the school's SEND policy;
- They are up-to-date and knowledgeable about the school's SEND provision, including how funding, equipment and personnel resources are deployed; SEND provision is an integral part of the School Improvement Plan and the school's self-evaluation process and provision map;
- The quality of SEND provision is continually monitored;
- The SEND policy is reported on in the school prospectus and is available on the school's website www.olive-anderson.lincs.sch.uk

The named SEND Governor is Mr Graham Bailey.

Objectives

What do we want to happen for children with SEND including those with ESMH problems?	What will we do to ensure that this happens?	What will we see or measure when this happens?	How will we check that it is happening?
Aims	Objectives	Monitoring arrangements	Evaluation
To be included in all of the school’s activities.	<ul style="list-style-type: none"> Modify the schools environment to enable access to all of our pupils. Ensure that all pupils are included in extra-curricular activities. That the breadth of curriculum on offer can be accessed by all pupils. That learning opportunities are appropriately differentiated. That all pupils should benefit from opportunities to learn at home. 	<ul style="list-style-type: none"> Absence of complaints from parents/carers about access to resources, trips and extra-curricular activities. Governors would be able to see on learning walks that all activities and parts of the school were accessible. Work in books shows that individual needs of pupils have been taken into account. Lesson observations show that tasks and/or outcomes are differentiated. Teachers will set homework for all pupils which is appropriately differentiated. 	<ul style="list-style-type: none"> HT/SENDCo will report to governors on how children are included in lessons. HT/SENDCo will report to governors on the differentiation of homework. Pupils excluded from extra-curricular activities will be notified to the COG for approval.
To make good progress.	<ul style="list-style-type: none"> We will have accurate baseline assessments for all pupils who enter school later than the rest. <p>To develop a positive self-concept.</p>	<ul style="list-style-type: none"> Teachers will aim to provide additional reinforcement to pupils on the SEND register over and above that normally afforded to every child. Teachers will be careful to avoid reinforcing negative opinions about pupils with other staff. 	<ul style="list-style-type: none"> During learning walks teachers will be providing additional reinforcement. Kagan strategies are being deployed in class to involve all students. 	<ul style="list-style-type: none"> During pupil interviews pupils are able to talk about their own self-concept. During governor interviews children will be asked about their views and shared with class teachers and SLT.

'Being different, Belonging together'

<p>To develop a positive self-concept continued.</p>	<ul style="list-style-type: none"> Teachers must recognise that all behaviours have a cause and that talking to pupils about their behaviour is an appropriate response to inappropriate behaviour. 		
<p>To have effective communication with their parents and carers.</p>	<ul style="list-style-type: none"> Teachers will respond to parental concerns. Teachers will ask parents/carers for their views on the progress that their child is making. Teachers will provide positive feedback to parents/carers on their children's achievements. 	<ul style="list-style-type: none"> Responses on parent/carer questionnaires. 	<ul style="list-style-type: none"> Reviews of parent/carer questionnaire demonstrate that effective communication between teachers and parents/carers are ongoing.

Complaints Procedures

If there are any complaints relating to the provision for pupils with SEND these will be dealt with in the first instance by the SENDCo and Head teacher. The Chair of Governors may be involved if necessary. In the case of unresolved complaint, the school will follow its Complaints Policy procedure available on the school's website www.olive-anderson.lincs.sch.uk. If the complaint relates to a child who has an Education and Health Care Plan, and there is funding from the LA to support this plan, then the LA may have their own complaints policy

Additional information and support on all aspects of SEND for parents/carers can be found through: <http://www.lincolnshire.gov.uk/parent-partnership/>

Review

This guidance is monitored by the Head teacher and staff and shared with governing body. It will be reviewed in **2022** or earlier if necessary.

Waves of Intervention Model

Special Needs Waves of Intervention Model

Wave 1

Wave 1 is good quality, inclusive teaching which takes into account the learning needs of all the children in the classroom. This includes providing differentiated work and creating an inclusive learning environment.

Wave 2

Wave 2 outlines specific, additional and time-limited interventions provided for some children who are falling behind the age expected level. Wave 2 interventions are often targeted at a group of pupils with similar needs.

Wave 3

Wave 3 is targeted provision for a small percentage of children who either require a high level of additional support/specialised provision in order to address their needs or is for children who have been identified for an intervention designed to accelerate progress.
