Questions about school:

What do you like most about school?

Playing with our friends, maths, evergreen, meeting new friends, art, the staff, the children, making new friends, learning new things, everything, playtime, technology, science, topic learning, how kind everyone is and we are encouraged to do our best, PE, using the laptops, school plays, how everyone always gets along,, how the teachers and staff always help you if you are worried or hurt, reading, the new library, teachers who are friendly and kind, fin after school clubs, ball games at break, dance.

What would you like to change about school?

Have a swimming pool, a climbing frame on the playground, need larger lockers, more things for older children to do at break times, to not go over things in lots of ways because it is confusing, more things to play with on the playground, school pets, everyone has 3 breaks not just KS 1, less assemblies, more PE.

Questions about lessons:

What makes a lesson good and interesting?

Active lessons, finding out something new. Different challenges and activities, when it is fun, when we play games to learn, many questions on the whiteboard to get us thinking, when we go outside to do a lesson, working in a group, when we use the laptops, challenging work, doing messy things, when teachers are always interacting eg when Mr C dissected a heart, the way the teacher explains a concept, being involved/active learning, working in groups and solving problems,

What makes a lesson bad or boring?

sitting on the carpet for too long, a nasty teacher like in the olden days when they had a cane, nothing, when it is just the teacher talking for ages, when there is lots of writing involved, when we have to look at the whiteboard for a long time before getting started, doing the same thing over and over, when we have to sit in silence to do the task, if we have too much work to do, when I get stuck and I have to do it again, when we are not learning something new.
