the more **things** you know.
The more that you **learn**
the more **places** you'll go.”
-Dr. Seuss

Reading for pleasure

At Frances Olive Anderson Primary School, we believe reading for pleasure is the key to learning. Our aim is to develop a culture across school where children choose to read and develop a life-long love of reading. Reading for pleasure enables children to use their imagination to explore new worlds, places and characters. Reading for pleasure can improve children's wellbeing and empathy and is a good indicator of academic success.

As a school we recognise the value parents play in developing their child's love of reading. For more information click on the link to watch the parent video on 'Why read to your child?'
